Joseph Dylan offers a splendid collection of short stories in his new collection *My Crescent Ring*. Words that sparkle themes that reverberate and shine a focused light into the human heart. The stories range across a spectrum of unique worlds: his unerring eye for detail and a range of knowledge that moves from the intricate world of medicine to love and the neon lights of Beijing. It is always delightful, surprising, dark, or ironic. Each is a meaningful snapshot well told and leaves one with both hope and despair. Individually, they are fulfilling and time well spent; collectively, they are a masterpiece.

Since the best-selling first edition, the Scott Foresman Handbook has proven again and again that a comprehensive handbook can be easy, practical, even fun to use. Each new edition has provided complete, up-to-date material on writing processes, argumentation, style, grammar, mechanics, and punctuation in friendly and accessible language. Yet new ground has been broken as the authors have anticipated new developments in writing, influenced by new theories and new technologies. Earlier editions have led the field in addressing civic literacy, visual literacy, online research, service learning, and other emerging trends. As a result of this forward-looking philosophy, writers using the Scott Foresman Handbook know what college writing means today and what writers will need to know tomorrow.
